Dear Miss Urban,

Thank you for your recent note. The reason why I refuse Holy Communion to the adherents of Mount Saint Michael's is that there is serious doubt, at least, that it was, and maybe still is, a non-catholic organization. There is strong evidence to believe that Francis Schuckardt founded his own non-catholic sect.

I think that the CMRI is too clouded in doubt for any Catholic to adhere to it, and that the only prudent thing to do is to dissolve it.

Sincerely yours in Christ,
